## Summary

- Highly detail-oriented and critical thinker
- Communicates by being open, clear, collaborative and thorough with team members
- A quick learner, absorbing new material with ease
- Strong at working independently and in a team environment

## Experience

### **Modo Modo Agency** *Developer*

September 2016 - Present

Developing and designing emails, landing pages, and Wordpress websites. Designed a logo that was chosen by the non-profit organization, 48in48.

### **Primal Screen** *Production Coordinator*

June 2011 - December 2015

- Added client and vendor contact information to contact databases
- Arranged annual holiday party and group outings
- Handled initial screenings of new employee applicants
- Prepared and submitted entries for industry recognitions and awards
- Maintained and updated company website using HTML, Versions, and Transmit
- Handled preparation and execution of company newsletters using HTML and MailChimp
- Provided technical support and quality control for multiple applications and relayed error reports
- Attended local application developer workshops

### **Atlanta Beat Women's Soccer** *Freelance*

March 2011 - April 2011

Using Flash and Illustrator I created a sing along bouncy soccer ball to be displayed on a billboard in the stadium.

### **Professional Symposium Presentation for Dr. Rebecca Burnett** *Multimodality and Rigor: How to Keep Writing from Slipping Through the Cracks*

April 2010

Presented my self-portrait project to professors from various U.S. universities at the Academy of Medicine in Atlanta, Georgia. The goal was to encourage professors to incorporate writing into their curriculum so that creative technical students may acquire more knowledge about a given subject. The presentation demonstrated how writing is critical to the creation of multimodal artifacts.

### **Center for Transportation & the Environment** *Intern*

May 2008 - August 2008

Assisted with the design, development and launch of the company's new website (www.cte.tv) using Dreamweaver and Adobe Photoshop.

### **Primal Screen** *Intern*

December 2004 - December 2006

Assisted on the development of production sets used in Cartoon Network's Get Animated campaign. Used Photoshop to paint and crop/cut out cartoons. Created my own 20-second cartoon in Adobe Photoshop and produced in Adobe After Effects.

## Education

### **Interactive Development (3.74 GPA)** The Creative Circus

December 2015 - June 2017  
Atlanta, GA

### **B.S. Science, Technology & Culture in Media Studies (3.04 GPA)** Georgia Institute of Technology

December 2010  
Atlanta, GA

### **Italian Film Studies** Georgia Institute of Technology Study Abroad

May 2010 - July 2010  
Gorizia, Italy

Made a documentary film using FinalCutPro and studied the presentation of the Holocaust in film.
